

For Pensioners of NMPT/RCHW, the login with username i.e; EC No and the Password is combination of EC no and date of birth.

**Ex : Username -1121**

**DOB - 01/09/1970**

**The password will be "112101091970"**

Once the user logs in change password screen will be displayed and new password needs to be entered by the user.

In case of Family Pensioners username i.e; EC No and Password is combination Family Pensioners username (EC no) and Family Pensioners date of birth.

All the alphabets in the should be in lower case only. No space should be given in between the password, also at the beginning and ending.

**Ex : Username: FP - 12**

**DOB - 01/09/1970**

**The password will be "fp-12101091970"**

Once the family pensioner (user) logs in change password screen will be displayed and new password needs to be entered by the user.
